The Last Setting Sun

We exclaim
"Friends now,
Friends Forever."
The sun is setting on our
glorious youth
Golden water has been laid at
our feet.
and a spell has been cast upon us
all giving us time to
learn and love.
Will this happiness end
when we stalk a podium
to receive that anticipated scroll?
In our hearts the memories
of each other will never die.
The sun is setting
but in just a few hours
it will rise to greet a new day,
a new life,
friend now,
friend forever.

E. GEORGE LAVINO '26
ALUMNUS, TRUSTEE, GOOD FRIEND

It is with great pleasure that we, the editors, dedicate the 1988 Owl to Mr. Lavino. Over the years Mr. Lavino has been one of Hoosac's greatest champions. Joining the Board of Trustees in 1952, he has served as Chairman as well as on numerous committees. His enthusiastic support of the school has been unflagging, having seen the school through both hard times and good. At a dinner in his honor last December, Headmaster Donn Wright announced the establishment of a new endowment fund called the "E. George Lavino Education Trust," thanking "Mr. Hoosac" for his years of dedicated service to the school.

• **DEDICATION** •

TO THE CLASS OF 1988,

Congratulations to you on the completion of your secondary education at Hoosac. You're the largest class that we've graduated in quite a long time. As one of your members pointed out, you're "a larger group than the whole school was when I first came here." You have led the school very well this year in athletic accomplishments and your Prefects have been among the best I can remember.

I wish you all great achievements and happiness in your future. I would love to have you write once in a while and tell me what you are doing.

Deus Regit,

but, until we meet again along the road . . .
Remember this on your journey home,

To all of my friends at Hoosac,

I wish the best for all of you and hope that all of your dreams may come true. With some effort and understanding you will find yourselves closer and closer to your dreams. Remember all of the good times that we have all shared together and, never forget them. These are the best years of our lives.

To Lavino (including Mr. L.),

My best year at Hoosac would not have been possible without you. I care about all of you and I want you to do well in everything that you do. Don't ever forget some of the times we have shared. Just lay low and make the effort that is needed to do well.

Mom and Dad,

Throughout my life there have been many hard times and without you I would never have gotten through them. You are the reason that I'm succeeding and I hope that I will make you proud. Thank you so very much for everything. I love you.

Victoria,

The past few years are something that I will never forget. All the time we have spent together has taught us a great deal. You have meant more to me than anyone. I know that we can both succeed with our goals and I can only wish you the best in doing so. We have had so many good times together, times that I will cherish forever. You have been so special to me and I will never forget you. Just remember the good times we have spent with one another, and never forget them. You will never leave my mind and my love for you will never come to an end. I love you.

SPORTS

Hoosac's sports teams fared well this season with only three teams earning sub .500 averages. The girl's soccer team earned a spot in the playoffs with a 3-5 regular season record, but lost to Darrow in the first round, while the first J.V. team in 3 years kicked their way to a 1-3 record. Boys Varsity soccer meanwhile played to a 7-4 record also earning a playoff berth, but lost to three-year defending champions — DeSisto early. Boys and girls varsity teams each placed two of their players on the Taconic All-Star Team. The Basketball team played a disappointing 1-9 season, but hopefully will do better when they begin playing in the new gym next winter. The Hockey team exchanged games with Schenectady and ended up 1-1 in their first season in several years. This year's spring sports were very successful. Softball earned a 4-3 winning record, while Tennis broke even at 2-2. Lacrosse had its best season ever, ending the year at 7-4.
