

HOOSAC SCHOOL

OWL 1992

We, the members of the Class of 1992 and the members of the Owl Board, wish to dedicate this year's yearbook to kitchen staff member *Eve Burns*. Throughout our years here, Eve, you have always been a source of joy and caring for us. Your pleasant manner and lighthearted good humor have made our lunch time dishroom chores more manageable. Please accept our heartfelt thanks for being there when we needed someone to talk to.

We love you!

JEN: Neat Freak, never will forget Stacy. Will you and Nelson be or not, it remains to be seen. Perhaps we'll be fellow Floridians in the future.

SARI: The world may be cruel and not understand but I know who Sari is and she's going to rise above it all with a smile and shrug of her shoulders. Hey I wonder how much money we spent on pool. One last bit of advice, can you love yourself as much as you love others.

CHICAGE: You'll never know how much you taught me and made me think. Even when it hurt, you never lied and I always cared about what you had to say. So when's the wedding? Am I invited or are you still "so mad at me." You saw the real me and refused anyone else, for that I will always be grateful. Japanese is cool maybe I'll learn the whole language some day. Sayonara, Aishiteru.

EUN YOUNG and EUN JUNG: Well guys, no more dance parties and saying goodnight. Food Food every minute Food Food. Should I call Pratt and warn them or let you take them by surprise? See ya later guys.

RUANDI: You've been a great pal, even though we haven't talked as much this year you still always knew when something was wrong and took the time to care. — Onto the world am I prepared? A better question is, is it ready for me?

LAURA: I don't care do you? My philosophies and I will miss talking to you, we had some great conversations. Open your mind to all possibilities, it makes life more exciting.

MOM and DAD: Through it all you've stood by me. You've helped me stand when I've wanted to fall, given me inspiration and motivation when I've wanted to quit. Now it's time for me to go out on my own. But don't be sad for never will I forget. You will always be in my heart.

KENDELL: Where ya going? Don't forget the real Kendell that expressed herself to me by the river, it was great.

SAM: Did you get any scars from the Pound Puppy gone mad?

DI: Wow, I don't know what to say except I always loved you and always will. I guess friends really can't live together. Studying for exams, all night chats. Where's our board with writing and other uses. Did you turn into a vampire. "No sleep in my room I'm scared." It's finally over and we're outta here.

DOUG: Your hilarity was great as well as your generosity. What happened in Geometry? I missed it, my attention was diverted. The library chats were enjoyable.

CHUCK: My teddy bear son. Relax, I love you for who you are.

WILL: We know the truth about the smurfs and the Scooby crew.

JEREMY: Whatever does the future hold? Our friendship lasted through it all. Thank for the honesty in our conversations, you opened my mind to new ways of thinking. The mind game left me speechless, where was he when I needed him. One in each state holds your heart, make no choices, keep them all!!! I'll miss you more than you know, see ya in politics.

SHIHO: I never knew you until the end, but it's better having known you for a little while than never at all. Ping-pongs flying, so were we.

DEREK: Life's on the up and up, open your eyes.

CHRIS: Well, it's been interesting, I don't know how else to describe it. What was between us was not spoken in words but felt in thoughts and deeds. I learned how to experience feelings and words in my mind and let them grow to their full potential. You reminded me of Jim Morrison. I never say goodbye it's so overly used. You'll always be on my mind and in my heart. Thank for some great experiences.

Here I go guys I'll make you proud, just wait and see!

You've helped me grow immeasurably and I can never repay you. What's great is that our friendship is enough for you.

MIKE S.: We still have five minutes. We can sleep. Next April, we're going to Western Maryland instead of the old Mt. Greylock. Say hello to Hillbilly Bob for me.

WOO-SUNG: It was amazing knowing you. I never knew that anyone like you existed in this world. I'll never forget you. Are you still a "cool guy?"

SPEEDY: What an experience! To the most "different" person I've ever met, if you haven't taken a ride in the rex mobile lately, take a shot. Ya might enjoy the ride.

CHRIS CANDELA: A microphone to tell the world. Good luck in the news casting business. "All good things to those who wait."

PHIL MANNING: Bedmaking lessons.

MARK LEE: Want to go rabbit hunting? You can eat it. You're crazy, I'm civilized. You can eat it. After seeing most people as much as I see you, I would get sick of them. I don't know why you're different — but you are. Stay that way.

DARREN: A penny — you earned it.

JC: One more year left. Hang in there. You're almost out. Freedom will be yours.

BEN: I'll look for you in the majors. I'll say to some guy, "Hey, I know that guy, he taught me all about concepts."

“Pity would be no more,
If we did not make somebody Poor;
And Merry no more could be,
If all were as happy as we;

And mutual fear brings peace,
Till the selfish loves increase;
Then Cruelty knits a snare,
And spreads his baits with care.

He sits down with holy fears,
And waters the ground with tears;
Then Humility takes its root,
Underneath his foot.

Soon spreads the dismal shade
Of Mystery over his head;
And the Caterpillar and Fly
Feed on the mystery.

And it bears the fruit of Deceit,
Ruddy and sweet to eat;
And the Raven his most has made
I'm its thickest shade.

The Gods of the earth and sea,
Sought through Nature to find this tree,
But their search was all in vain:
There grows one in the Human Brain.”

TO BILLY — WITH LOVE

Billy you have come a long way.
 The roads at times were rough.
 I know that at times you were ready to get off.
 But you stuck it through.
 No one but you knows how hard it really was.
 You knew that we were there for you when you really needed us.
 And I hope that we were able to help at times.
 This past four years you have stood on your own merit and have made it.
 Now the true test comes for you, for in these times there will be many rough roads for you to conquer. With the foundation that you have you'll make it.
