Towards the end of the year the water started to drown me, and everyday you pulled me up and saved me. Thank you so much for being there for me. I don't have to say if you never need to talk don't hesitate, and if you do, don't call.

Chika- I finally wrote my senior page. I want to start by saying you mean a great deal to me and I thank you for being with me these last few months. To be honest sometimes I wonder if I could have made it this far without you. Now the year is almost over and I find myself lacking the words to describe my emotions so I will leave you with this "Your image will always be on my mind and memories of you will always be branded across my heart!"

Noey- Wow, what should I say and where should I begin? As you well know we have had some ups and some downs. I believe you are the only person I know who I love and hate all at once. The truth is, Noey, you and I have a very strong and VERY unique relationship and I hope, no, I demand that you stay in touch.

Kins- Ahh, good old Kinsley. It's been a pretty good year, eh. However, I think I speak for both of us when I say THANK GOD IT'S FINALLY OVER. Take care of yourself and my big little brother. **Jorge-** It's over, man! There's one thing I've wanted to say for a long time but never found an appropriate time so how about now. Remember the time the and you came to my room that Friday night and we sat in temporary silence and grief? Well, I just wanted you to know that that moment and the grief you suffered on my behalf meant a lot to me and I thank you. Good luck at school and I'll see you at Mardi Gras!!!

Rasta- You, my brother, I am going to miss most of all. We've been side by side for two years and now I'm leaving you behind. But don't worry, you'll be out in no time. My departing words to you are none other than these: keep up the good work and keep it cool with your dad. He won't be around forever and he's a great father.

Hiroe- (lmo) Stay crazy, stay cute and please stay just the way you are! I'll see ya soon!

Dana, Riki, Nobu- We made it, the day has come and gone. I remember the first time I met each of you and it seems like it was yesterday but now were going our own ways. We went through some crazy things, we survived some pretty hard times and we had some real fun. However, it's not over yet because all three of you better accompany me for Mardi Gras !!!

Alex (DIGGIDY)- As for you stay clear of trouble, stay cool and most of all keep working.

Mitch- You have a good year. And don't worry, that school you want to go to: I'm sure you've got it in the palm of your hand. Good Luck!

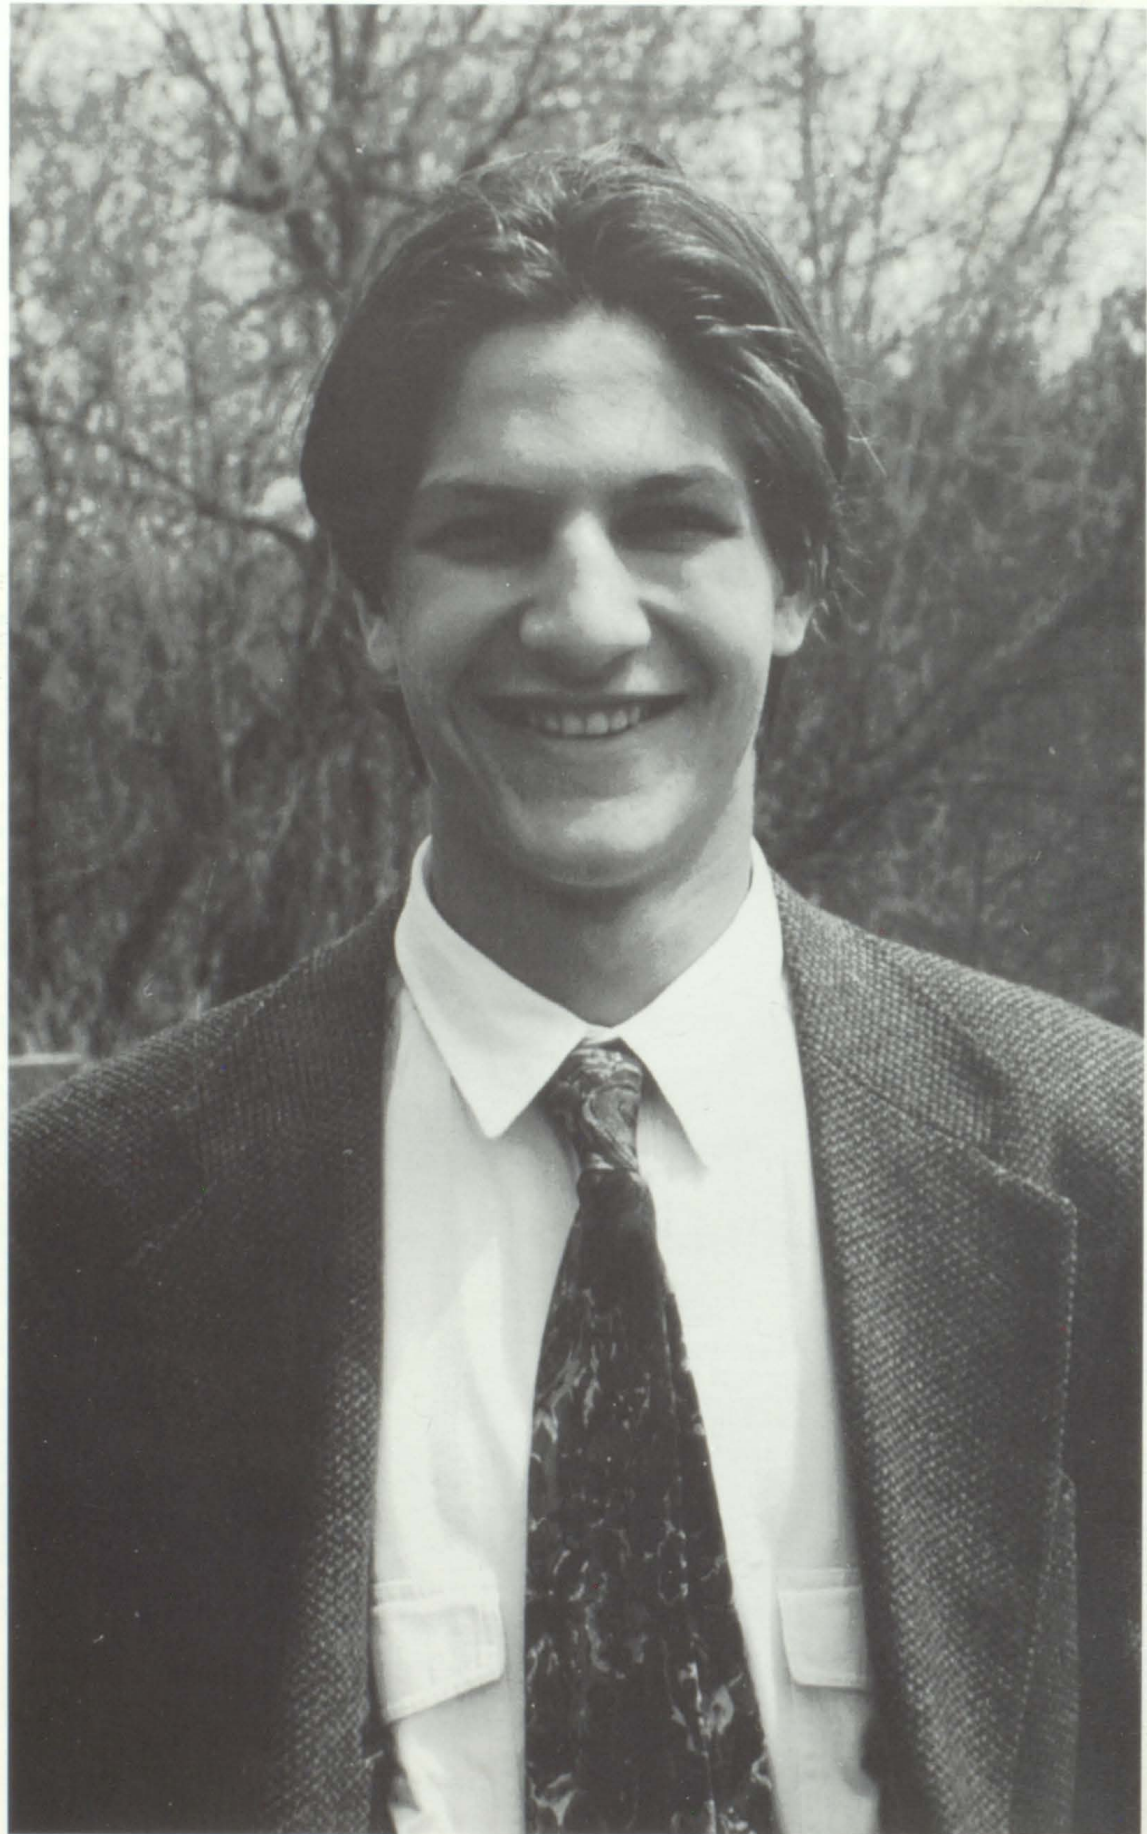

Mom and Dad- Wow, where do I begin? You guys have had it pretty hard putting up with your first born and I'm sure that there were times you never thought I would make it this far, but I did and I owe most of it to your love, your support, and you. Thanks!

Michael- You are without a doubt the best uncle a nephew could ask for. For if it weren't for you, I probably would not be writing this page today nor would I be counting down the days until I extend my arm to grasp my diploma. I thank you a million times over!

Mr. L. I would like to thank you for all the things you have done for me in the two years that we have known each other. I am gratefully in your debt for helping me in my time of need. I do not know how, when, or with what but I deeply wish to repay you. *Thank You.*

Mr Lytton- I wish you knew how difficult it is to express my gratitude for all the things you have done for me this year. I find it ironic that I went through twelve years of high school with out it ever happening, but sure enough the thirteenth year of my career I become close friends with someone of authority. "A Life sure has a sick sense of humor." All in all I firmly believe you played a large role in my surviving this year and my acceptance to college. And for all of this I am for ever grateful. Good luck in the future and I'll see ya this summer...

My mother- Thank you for supporting me all the time. But I want you to know I love you with all of my heart. I promise this: I will do anything better than last year in the college.

Chika and Keenan- My dearest friends. Thank you for taking care of me last year. I was a little crazy cartoon for you guys, wasn't I? I will never forget that you teased me everyday. Trust me, I won't miss it! Besides, we have so much good memories. Well, I'm sorry for telling you this, you can't kick my hat anymore in your life. You gonna miss it, hah? TOO BAD!! Anyways don't ever forget about HIMO (sweet potato). I love you so much.

Chris T (Kurryyo Chan)- This year was really short to us (don't you think so?). When I got upset, you were always there for me. I appreciate so much. I complained too much about anything. I guess you are the only person who had to listen to me. Aren't you lucky? (I'm just kidding) I didn't have time to tell this. I want you to know that "You're my best American friend." I trust you forever. I will visit you sometimes next year. Good luck!!

Kyung Bin Lee- Don't ignore me anymore (I'm just kidding!). Thank you for being close to me. I like to spend time with you (if you want to!). I think if I knew you before, I could have so much fun this year. Well, it's too late to notice. Good luck in your college. I will visit you sometimes, but, if you want to? **Noelle-** Noey, I crash on him. What should I do? Do you think I'm crazy? Well, thank you for giving me so many advices about guys. These advices worked very well. I hope I will be happy with him. You are "the P. O. L." Don't every forget it.

Tina- Thank you for your kindness. Good luck in your college.

Neal- I tell you this, you will miss Hoosac more than I'll do. Don't even tell me you won't. Well, we'll find it out. Also talk to you later. Do you believe this?

Nick- Thank you for helping my works everytime. You are a genius person. Stay cool.

Chris C - I love to call you "King of Sukebe." Do you like it? I'm sure you liked it.

Matt and Kins- What's up, ginger couple? You guys are so cute together, even though you two were fighting sometimes. Well, let's go to "Yamaguchi."

John O- How many Japanese words did you learn this year? Don't ever forget those words. You are a sweet person. Good luck, next year.

Doug- Finally, evil child is leaving from you. Aren't you lucky? I know, you gonna miss me. So, I will visit you next year. And, thank you very much. This is all I wanted to say to you. You are the most friendly teacher I've ever met in my life. Have fun next year.

Boar's Head and Yule Log

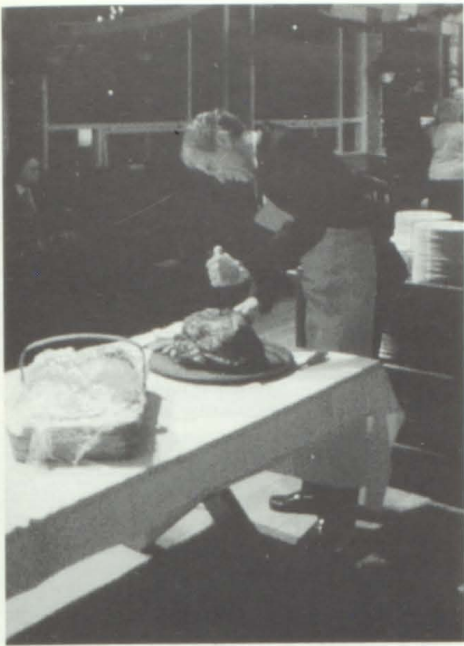

December 14, 15 & 16, 1995

Every year for more than one hundred years, the Hoosac School celebrates the holiday season with a Boar's Head and Yule Log production. This century old production features authentic costumes and old time favorite songs and music. Favorite acts include, a Boars Head procession, the Three Kings, the unveiling of the Court Jester, a mummings play, and a Country and Sword Dance.

Excellent lighting and decorating set the stage for a wonderful and exciting evening. Mary Smith prepared a tasty buffet, with a real boar's head, for the intermission between the two acts on the last night of the performance. The entire school spends close to two months preparing for this production. Come and enjoy next year on December 15, 16 or 17 of 1996.
