I am so proud of you, you have done so much in your life and I want you to know, I'm proud. Mom and Dad your love for me has been unconditional and I love both of you with all my heart. I'm lucky and proud to have you as my parents.

To my mom and dad: Um-ma, A-bba, I really don't know what to say to you guys. First, thank you for everything you have done for me. Also, thank you for trusting me in heart that I could do well in Hoosac. Even if life in Hoosac was not as easy going as I hoped, I think I could do such successful jobs in Hoosac & in school without your support and love. From now on, I'll be a real good man and son. Now I think it's time to say words I have never said to you and just kept in my mind.

" I LOVE YOU "

To Mr. and Mrs. Moss: I believe Lavino was the best dorm on campus. Thank you for letting me live in Lavino. It was fun being with you. You were the best dorm parents.

To Mr. Olf: Thank you for teaching me lots of things about science and math. It was fun to have three classes of you everyday. (^^)

To Shin-hyung e hyung, Sung-hoon e hyung, Ji-yong e hyung: GO-MA-WOA-YO. You guys taught me a lot of things about SUN-HOO-BAE-GWAN-GAE. But I think I wasn't a good SUN-BAE like you guys. I never thought that I was going to graduate. I hope to see you guys in Korea. Good luck in your lives.

To Young-sik: I think we had a pretty hard time with each other during our last year. Anywayz Bro, thank you for understanding me every time I say something to you. I'm sorry that I couldn't spend much time with you. But the time we had will be unforgettable. I'll miss you soooo much after we graduate and go to different schools. Let's keep in touch with each other GGOK. See ya in Korea this summer. GO-MAP-GO, SA-RANG-HAN-DA. Inchon fam!! Good luck in college! Peace

To Yoona: Chung Yoona, I don't know what to say to you. I believe I liked you very much. I don't know if I still. Anyway, it was nice meeting you at Hoosac. I guess I wasn't the guy you were looking for until now. Remember? What we talked about on the little bridge across the pond last year. I still remember what we talked about. I don't think I could be the one you wanted. I wish we spent more time knowing each other. Anyhow, be a nice girl and DAE-SUN-BAE. Don't just hit someone unless he/she does something wrong. (But I think that's your charming point). Good luck next year even if we (83 and 84s) aren't here. I'll miss your punches you gave me. See ya this summer. YUN-RAK-HAE. JAL-JI-NAE, DA-CHI-JI-MAL-GOO

To Aram: Uhm Aram, I don't think we talked a lot. I know that's because of the thing you told me, but I still feel regrettable for that. I wish we could have more fun. But anyway, thanks for your advice when I was having a hard time. I'll miss the time we had fun, especially the first year. You are a nice girl. Good luck in college. I hope to see you in Korea. Be a nice woman. KII KU RA.

To Sean and John hyung: I'm sorry for everything I have done. I don't think I was good HOO-BAE or SUN-BAE enough. Thank you for your support as DAE-SUN-BAE, HO-GUN-HYUNG, and thank you for your advice you had given me, HYUNNY HYUNG. Good luck in your colleges. HYUNG-DUL JUNG-MAL-GO-MAE-WOA-YO.

To Sunjae: SunjaeYA, it was fun being with you. We had a lot of fun talking to each other and we also made tons of gags. You were also a good SUNBAE, HOOBAE and role model for the other Korean kids. You behaved well, I think I should have learned something from you. I'm sure that you are going to be a great person as you grow up. I also believe you will be a good DAE SUN BAE for guys. Don't forget things I told you, I'll be cheering somewhere. Be a good man and prefect next year, hope to see you in the summer. JAI JI NAE RA. Let's keep in touch each other.

To Jennifer: SO WON, you were a cute and nice girl, I'll miss you so much after I leave. Thanks for helping me whenever I had a hard time being with somebody. Please stay out of trouble, don't do things you aren't supposed to do. Don't feel shy being with Bum-Mo and don't give him a hard time anymore. Hope to see you in Korea and let's keep in touch.

To A-eun: I don't know what to say to you, I don't think we talked that much because lots of things happened this year. It will be a hard time for you next year, but don't fight with SUNBAE DUL. I understand that you had hard time being a prefect but HOOBAE IS HOOBAE. Anyways, I hope you and Young Sik will be a good couple after we leave the school. Good luck next year at Hoosac.

To D&W boyz: I'm sorry for you guyz that I didn't take care much of you guyz. I wish I did but you know? Woong gyu, Yak-Guk Fam, It was so fun talking to you but be a SUN BAE and think twice before you say something. I know you aren't going to be bad guy but stay out of trouble. Soo Hyuk, I think it was pretty hard time for you to be with Jung Mo because of somebody but I think you have done well and it was nice meeting you at Hoosac, good luck in your school next year. Jung Mo, you were too innocent to decide something serious when you have problems, I'm sorry I couldn't help you that much, anyway be a man and good HOOBAE next year. L.Y.A. See you guyz in Korea. Peace.

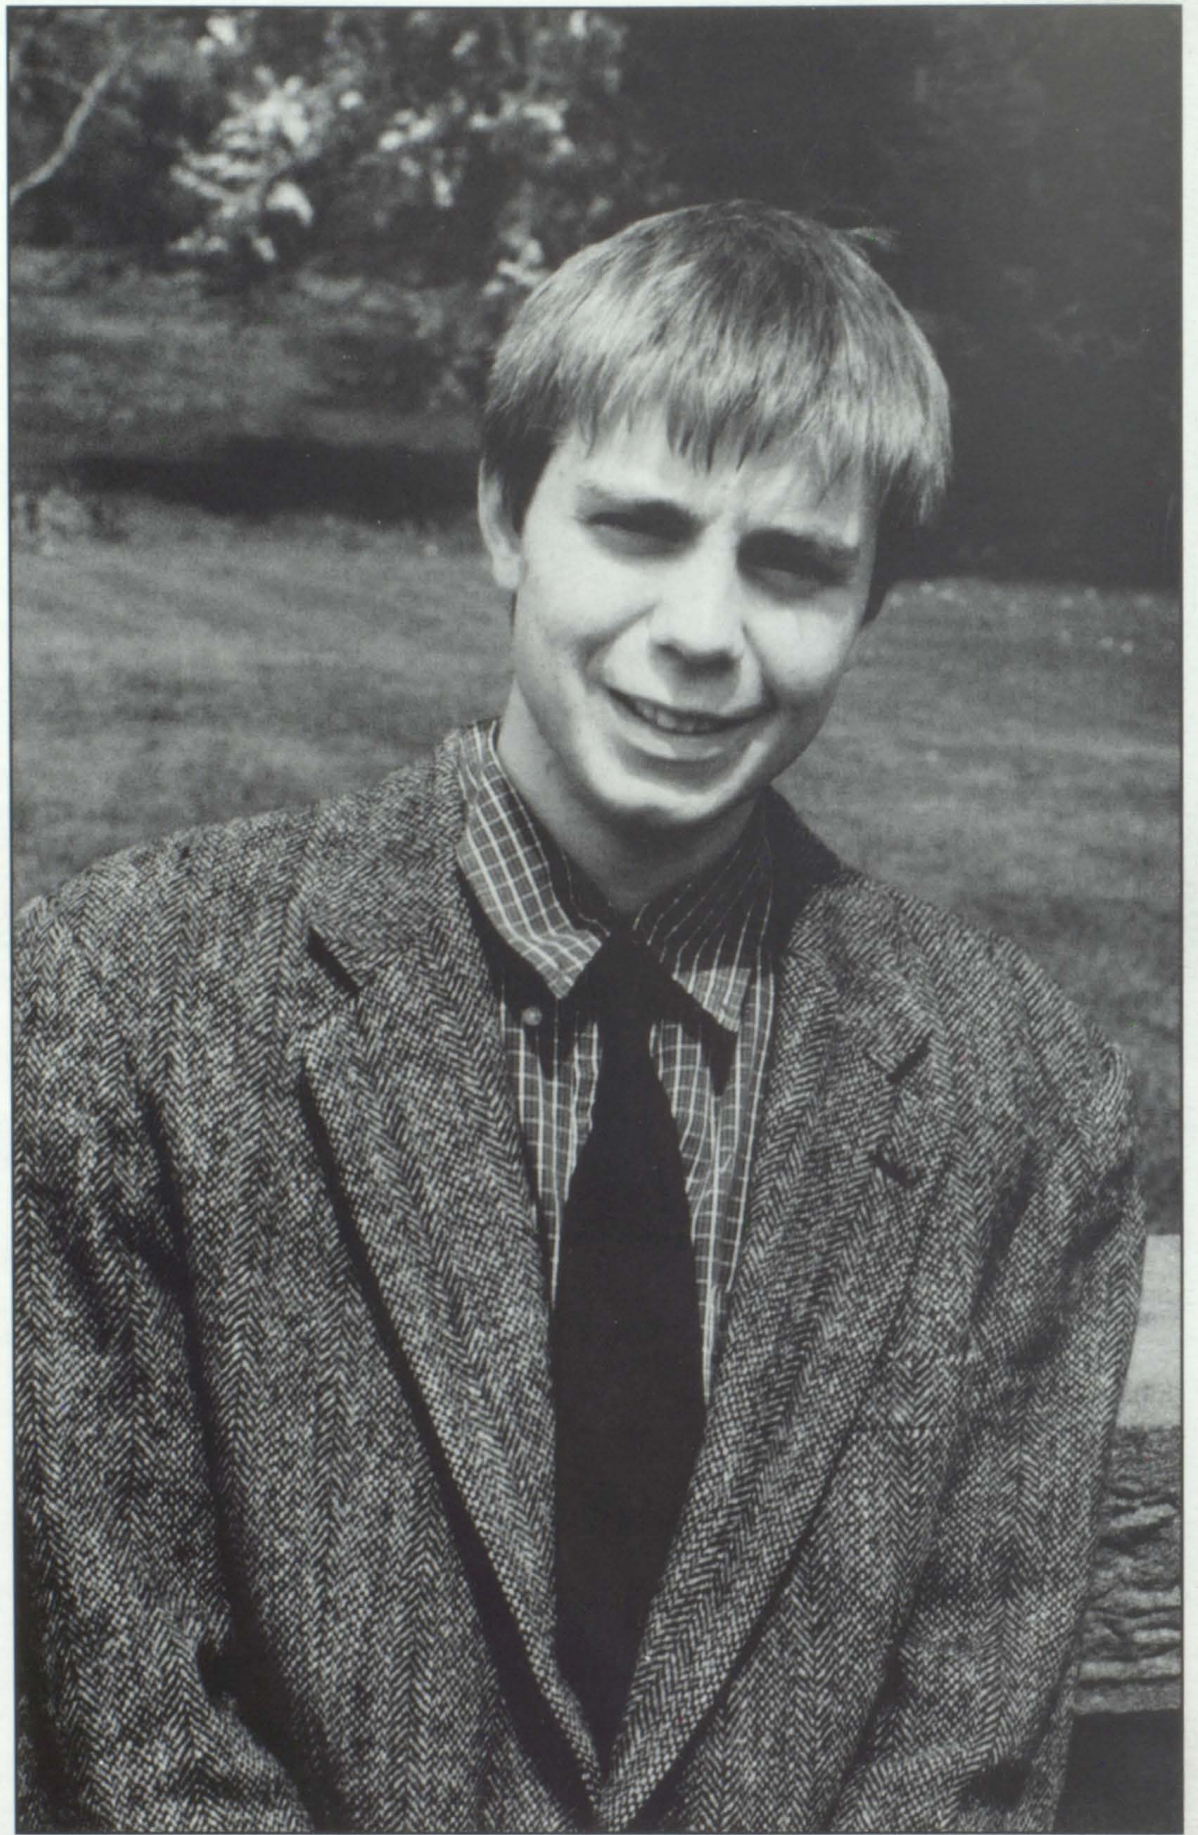

To Cannon Boyz: It was so much fun with you guyz, you guyz made me laugh every time I was mad about something. Bum Chan A, I think you were pretty good HOOBAE to me, I know you will notice at some point that the reason why I yelled at you wasn't just useless, be a good SUN BAE and HOOBAE of Yoona, also stay out of trouble. WOOL GUI YU UN Jin woo ya, I believe you were too young to control yourself sometimes but from now on, do what you are supposed to do. It was nice to see you talking. You guyz know what I'm going to say. (L.Y) see you guyz in Korea.

To my L-Boyz: I think last year at Hoosac was very fun because of you guyz, the time we had will never be forgotten. Danny ya, the two years we had were pretty tough but fun. Thx for the help you had given me when I was having a hard time, but try not to involve everyone's problem. Be a good SUNBAE and HOOBAE next year. You need to calm down sometimes. Bum Mo, I felt so empathetic watching you every time, try to get your own way sometimes, STAY OUT of trouble next year and try to speak English more. Joo Yong, I think you tried a lot to be a good SUNBAE and HOOBAE, keep it up next year and try to suppress your anger sometimes. Anyway, you guyz were great HOOBAEs, keep away from bad things and good luck next year, SA RANG HAN DA L Boyz 4ever. A MAN DOK SAE

To Tibbits girls: It was nice meeting you guyz and looking at you guyz. Good luck on your projects(diets) and be good SUNBAEs and HOOBAEs next year. Hani, try to be stronger to your HOOBAEs. Bo Mee, try to learn how to live with people. Sook Jin A, have fun at Hoosac and good luck with Keaton.

To my other fellas: Have fun at Hoosac, Keaton, Beau, David, Alec, Leon, Alan Malik(Shevchenko) and anyone I missed good luck on your wayz.

Dear Tyler, My Nephew, My Godson: I am very proud of you and your accomplishments. What a "wild & wonderful" young man you are!!! The following quote hangs in my office and I wanted to share it with you -
*What we think;
or what we know,
or what we believe is,
in the end, of little consequence.
The only consequence is what we do.*
