Sylvia Cho - You are a nice girl. I am so glad I met you this year. You taught me a lot of things about piano and music and I'm sure I taught you something. I'll see you in Korea. SA DONG HEY!

Mr. Appleman - My main man. I am glad I finally found someone who is serious about making music. While you lack certain skills your seriousness and drive will soon overcome. Whatever you end up doing never stop your music.

Keaton Smith - I used to think you were going to be a successful actor, mainly because of your attractive features. After the spring showcase I was proved wrong. You got what it takes kid. Now go take on the world.

Jeremy Walkiewicz - Meatball, you are a good Walkiewicz.

Michael Skeats - you are a little guy, but don't let that stop you. You can achieve great things if you put your mind too it. Like that guy who invented the pet rock.

Benny Porush - You are a dynamic character Mr. porush. One thing I always admired about you is that you are never afraid to be yourself. I wish you luck wherever you are next year.

Matt han - While certain things brought us apart from time to time, you have always been a good friend. I'm sorry for being a jerk from time to time.

Nikolas Kaneb - Mr.Kaneb you are probably the most extreme person I have ever met. I hope you never change. Whatever you do, do your best, but have fun.

Charles and Richard - I never understood you two, maybe that's a good thing, I don't know. Keep singing and always

look for something new.

Bo mee, Sook jin, Na jung, and so won - You Korean girls are very nice. I will miss you guys when I am far off in other countries doing really important things. Keep in touch. Jennifer, some day you will start to really play your violin again, and when that day comes I promise you, you will love it more than ever.

Brittney Binet - Your swell lady. I wish you all the best in your future endeavors.

Mr. B - Thanks for always being there when I had a problem or needed advice. I will remember all that you have taught me and take it along wherever I go.

Mr. Uhl - This last year you really become my mentor. I look up to you more than you may know. I will try to remember everything you taught me. Your influence will always remain strong over whatever I do.

Mr. Lomuscio - It was nice to finally get to know you a bit on a personal level. While I don't agree with hardly anything you do at Hoosac, I suppose there is a reason behind it.

Mr. Olf - I never got to know you as much as I wanted to, but even so I always liked you. You seem to be living the life. When I think of you I think "when I'm 64".

*Another turning point
A fork stuck in the road
Time grabs you by the wrist
Directs you where to go
So make the best of this test
And don't ask why
It's not a question
But a lesson learned in time
It's something unpredictable
But in the end is right
I hope you had the time of your life
So take the photographs
And still frames in your mind
Hang it on a shelf of
Good health and good time
For what it's worth
It was worth all the while
It's something unpredictable
But in the end is right
I hope you had the time of your life*

Laurel Ann Delrosario and Chrystyne Brown: My partners in crime. I love you both more than I could ever explain on this stupid piece of paper that I am about to try and put an entire year's worth of memories on. I would have never survived this year without you both. You are two of the most beautiful ladies I know. We've had some of the craziest times... nasty girls, snow balls, dance parties, sleep-overs, sneaky missions (mission POE!), hockey games, shopping, vacations, photos, doing it indian style (mini ha ha forever), cookies and milk, sticking up for each other always, group shower time (including throwing stuff over the shower stalls), so much laughter, love and even some tears. Every second of every day I spent with you both I will cherish, and I hope you both feel the same, let's keep in touch, I want it to work. Stay strong and stay yourselves, don't ever let anyone change you. Good luck next year and I LOVE YOU!!!@#\$\$%^&*

Ms. Mac: My Dorm-mommy/ Teacher/ College get-er into-er/ Friend: What can I even say to you!? You took care of me (of all of us) and I thank you for every day that you spent trying to make us into fine young women! haha I love you, and I will always remember you, oh and don't worry... I will be back! (PS take good care of my baby Chrystyne the next couple years!)

Muller: HAHA OH JEEZ I LOVE YOU! You definitely saved me a million times over from going crazy, and I'm super extra glad that I got the chance to spend the year with you. I never expected a teacher to be such a good friend (girlfriend!?!?) to me, and we definitely had some fun times. I love you so much, and I hope you find what makes you happy (:

All My Friends, and Everyone At Hoosac School: Everyone I have met this year had given me the opportunity to grow. I might have only been here one year, but you all have grown to mean something to me, and I'll always remember you. All the girls in the dorm, I lived with you all for a year and nobody died! That's got to mean something (: Anna Nitchski and Melody you got me through the beginning, and Anna Montagna you were my roommate for the greater part of the year and I definitely love you and miss you climbing in bed above me. Jackie you are too cute! Halbin.. oh you.. haha we grew pretty close after a while and we definitely caused some trouble together (yeah FL girls!) All of you, I love you and wish you the best wherever you go. As for the boys, well.. J.Lapointe, Ryan (I'll see you in R.I. grr), Richard, Joe Opp, Christopher Stanley (my permanent partner for everything in every class), Randy, Matt, Brandon Davis (I promised!), LLOYD MOSES, Ty (I'll definitely see you around, Mr.RI), Jarrod (thanks for listening), and perhaps the best for last Tim Revell (we won't forget the your promises) :)... you all mean something special to me, whether it's known or not, and there is definitely always a place for you in my heart.

Jamy Lapointe

Brad and Tyler - My roommates. Brad, what can I say man. I don't think I would have come to Hoosac without you. Ty - I'm glad that Brad and I had you move in towards the end of the year. I couldn't think of two better people to have live with me.

The team -

Mitch - I had the opportunity to play on the same team as you long before Hoosac in the Atlantic Showcase . I'm sure Brad and I will be back in PEI before you know it.

My linemates Mellon and Paquette, orange line, remember that we ran the show the entire year. Montreal kids - Schiavi, I cant believe I let you pierce my ears...Sacco, Hardy, J-Rod, great kids....good luck with everything.

Ktown, Norway - Just keep on going in the same direction you are now and you will be unstoppable. Alec, Marcello, McGrail, Skeats, Grignon, Hickey, Collins - it was a pleasure playing with you guys, good luck with everything.

Randy - I would not have wanted anybody else as my prefect, be expecting me down in Queens someday soon!

Anna M - You have so many years of school left it's ridiculous. You brighten up the lives of all those around you so keep smiling and hopefully I run into you one day.

Bum Chan Lee

Dong Hyun Lee

Mitchell Mac Adam

Mom, Dad, Robert and Emily - Thank you for always being there for me, for believing in me, and always supporting my decisions. You've made me what I am today. You guys are the greatest family in the world. Hoosac has been fun but I can't wait to spend the summer with in good old Prince Edward Island.

Chris - We'll its been a great year, I don't know where to start. We're possibly the greatest entrepreneurs in Hoosac history, and certainly the best roommates. The Gong and Go, the 3:00am room cleanups, fighting over grilled cheese, and the wrestling matches which we always dominated, unless it was against each other. I haven't seen half the movies you own, but I'll rent them some day. You're an unreal roommate, even if your size 16 boots always littered the floor. We'll the time has gone by really fast and like we say back home "If I don't see ya around, I'll see ya square."

Brad - We'll Bub, I'm done, the year has really been fun. Most of your clothes/shoes are likely still in my room. You're the Worst Nightmare, the Big Roommate, and Big Bad Brad. Sorry you didn't get involved in the dress up nights down the hall, or never got your black belt. Quit leaving dilge on my desk but don't quit having apple pie or peach cobbler for dessert. We're the only REAL Canadians at school.....except maybe Chris.

- Pocket - Hey Buddy, hope your just chilling, have a good time next year at Hoosac. Don't be too sketchy, and make Mr. Foster take you out for shrimp again champ (4.5 lbs). Easter was quite a time, and quite an experience. The cheese was amazing.
- Schiavi - Can't wait till I'm back in Montreal again, with you and the boys. We had quite a weekend, and quite a year. Good luck in the future, and win a Championship for me next year.
- Norway - What's up? I can't wait to see you this summer on PEI. I'm glad that PEI was the first place you visited in North America, because you got to see the best part early.
- Alec - The city is quite the spot. A little too busy for a country boy like me. But its funny how so many people live there and none of them know how to shovel snow or deal with it. It's bee a great year with you, and you know who to call if you ever need help with a handle.
- Marcello - Another city boy. Thanks for letting me stay at your house.
- Hickey - I can't believe this is year number five at Hoosac for you. I think this was your best. We had a great year. The city was fun. Keep it real in the future and stay breezy.
- McGrail - We'll co-captain, we had a great year at hockey, and at school too. Too bad we never ended up getting those D2 rings, but we did well. Have fun in the future and keep out of trouble.
- Sarah - Well what can I say, the year is over and we had a lot of fun times at Hoosac this year.
- Najung - Keep smiling.
- Jamy/Tyler - We had a great year together, I can't believe how well we did at hockey this year. Take the team to the limit next year and win one for me.
- Sacco/Hardy - Sacco, can I have some nutella and some capicolli. Hardy can't wait to see you in PEI. Its been a good year with you two and have fun in Montreal and at Hoosac next year.
- Skeats - Prefect Skeats. Sorry I broke that Synergy, but you have to admit it was a good hit. You're a good fella, and good luck in the future.
- Ms. Muller - Thanks for making this year great for me, you're an amazing person and don't change. Even though I wasn't in any of your classes we still had a good time going out to eat, and going out for ice cream in Hoosick Falls. Thanks for everything.
- Mr. L - You're the best teacher I've ever had, and AP English was a great class. You taught me a lot of things and certainly broadened my horizons. You have quite the collection of automobiles and I would have liked to do some work with them, but I guess it just wasn't in the cards. You're a great Headmaster and you're the foundation of the Hoosac school and a Hoosac education. You're a good cook and a considerate person for making sure those mainlanders got enough iodine. Hoosac has changed my life and I have you to thank for it.

Marcello Maceira

The dictionary defines graduation as the award or acceptance of an academic degree or diploma but for myself graduation is different, it means more. My graduation from high school is based on my academic performance. The fact of the matter is that to me 95 % of high school was not what I had learned in class. It was hanging out with the boys, playing basketball after school with my friends, hockey practice, learning how to deal with people you don't like. High school is our first taste into the real world and often our performance in these turbulent four years can dictate what future successes or failures occur in our lives. My four years were different than most. I went to three different high schools in four years. Although it is all a blur to me I still remember my first day of high school as though it was yesterday and as I look back on these four years, I can say that I worked hard for myself.

Mom- Without you there would be no me. I honestly think I have the best mother in the world. You would do anything for me and I never truly feel I can express how much you mean to me. I love you

Val - Although you are my cousin and I call you my aunt your more like a sister to me. Whenever I made a mistake and I've made quite a few and your were always there to help me. Even if it's telling me to listen to what my mother is saying or just you giving me advice its always seemed to work out and I thank you and love you for that.

Grandma- I think the reason we argue so much is because were are so much alike that we can't stand each other sometimes.

Think about it -I owe my intelligence to you. I love you.

Aaoni and Amina- my two little sister I love you both.

Alec-From Cyclones till now, we are friends. Good Luck at OWU

Hickey- Your were a great athlete. Keep in touch.

Mcgrail- my next door neighbor. You were awesome in both lax and hockey. Your a great friend. Keep in touch.

Pocket- Holdin it down for the MTL. WE had some good times this past year. Have fun next year and rip it up on the ice.

Cronin,Joey,Julian- You three kept the city. We had some good times I'll see you in the NYC. Good luck next year.

Dante and lil Anna- Your both good smart kids leave.

Brad- You're a funny kid. All the bus rides to practice and

games; running up the hill so we weren't late to practice.

Collins- You gotta give me a call when you and Mitch are neighbors so I can come up for a barbecue. Good luck at Clarkson.

Mitch- You are by far the funniest kid I've ever met and good hockey player. Prior to meeting you I had never even heard of PEI. Good Luck

Traus- I personally had never encountered hippies. You both taught me two important things. Sometimes you just gotta chill out and take it easy and second that Phish is tight.

Mikie B, Howe- You both treated me like I was your younger brother and helped me immensely along my maturing process. I still don't think I have thrown up more with any two people till this day.

Bobby-Atlantis was 5 of the best days of my life. Your my boy Bobby

Clark,TJ- Room 30 official location of the LNC. All the late night activities were unforgettable and thanks for dropping knowledge on me.

Manley- Your an amazing baseball player and good friend. Much Respect.

E-Money,Jon,Alex,and Jeff - The boys I started High School and no matter how far away from home my school is every time I come home it like I never let. Thank for all the good times.

Mr.Horne- Your one of the smartest people I have ever met. For me you are the teacher that made me think differently and open my mind. Thank You.

Ms. Mac- My first year at Hoosac was a bit ruff, and I didn't have a strong relationship with you but towards the end of my first year our relationship began to build. I want to thank you for putting up with me and giving me the support that I needed. As my advisor, dorm parent and also a friend I don't know how I would have made it through these past two years without you. All my thanks goes to you! Im going to miss you, but I will come and visit you next year. Thank you once again!!

Jenn S. (a.k.a quick fix)- Hey gurl, the beginning of the year with us was a bit different. Then close to the end of the yea we became kindred spirits. B.J.: Too bad we didn't get to perform together more, our terrible voices echoing across campus in their combined insanity, wafting the Beatles in a form they were never meant to be in. It was fun, wasn't it? I know you will be a Rock Star some day. Chops: That was fun right? RIGHT!?! Good luck at UVM, keep in touch.

Rosenblum: Hold Dudley down man, I'm counting on you to keep my warped tradition in whatever it was I thought I was doing. Keep on it with the punchlines bro. PEACE!

Mr. Uhl: Good times running Dudley? I hope your objectivism doesn't get in the way of your liberal ideals. Sorry about the organ....but it WAS funny?

To My Mother: I would have never gone to Hoosac if you hadn't sacrificed so much. Our families tradition extends back many years, and I am thankful of your pride in me. I'm proud to be your son. I won't forget the pounds of laundry you did for me either. You have my eternal gratitude and love, thank you.

Dan- My bro, you've been a great help with my life and shaping who I am today, thanks a lot for sticking by me even in the tough times. We'll have to chill when I'm at Albion and maybe you'll be in the zoo with Elaine.

Mr L- Your class was by far the best class I could have ever wanted to be in, everyday was a fun new experience and it really helped kick start the day. Thanks for electing me prefect, last year I didn't think I had a chance. Keep working on those Jags. I'd love to see the Corvair when you are done with it. You're the coolest headmaster/principal I have ever had, you think now I could call you Richard since school is over?

Ms Mac- Thanks for letting me hang in your dorm and helping me out with college. I had some really fun times hanging out with you and Laurel going to get ice cream. I don't think my Hoosac experience would have been as cool if I hadn't known you. Thanks again for everything.

Mr Moss- I think Lavino held it down and was pretty chill for the most part. Keep up with the sweet dorm dinners, those ruled.

Mr Burke- I know I didn't have class with you this year but it was cool to know you, you're a really chill guy and I hope you have a sweet year next year.

Mr Horne- Ethics was a riot, I learned about so many concepts which I previously only knew very little about. I had a sweet year thanks for the ski season too.

Ms Muller- We didn't hang out as much as we used to this year but I hope you continue to be as cool as you are, good luck on whatever path you take in the future.

Mr B- My advisor, thanks so much for helping me achieve my goals. I don't think I could have done it without your continued support.

DR V- Haha, keep up the good times old man, I'm pretty sure you'll be calling me in the near future.

Appleman- We didn't have as good of a year as we did when we were roommates, have a sweet time in college.

Randy- Same goes for you, since we didn't live in the same dorm it was kind of a struggle to find time to chill, but call me when you come to Detroit.

Higby- Fellow Lavino house trustee. Man we had some seriously good times this year. I won't forget the times in Lavino. Hold it down for next year, good luck, keep in touch with me.

Scott Wang- Man you're one of my favorite dorm mates, always keeping it cool and upbeat, have a really good year next year.

Willy- I have to say you're really cool, I'm glad you didn't stir up too much rukus in the dorm this year.

Tristan- 5th gear is definitely my favorite show, I can't forget watching those crazy car vids. Good luck next year man.

Chrystyne- Stay true to yourself like you are now, and always keep a upbeat air around you.

Niki- We had some crazy times this year, from the beginning to the end, have a sweet college experience.

Max- Thanks so much for those fun weekends, I owe you big time.

J-WILSON- Haha we're about to have an awesome time in Italy!!

Everyone who I may have not mentioned- don't worry I didn't forget you, you made Hoosac what it was for me and for all of us.

And of course- Laurel. My senior prefect sweetheart. I can't explain how much fun you made Hoosac for me, when I came here I thought I would never meet anyone like you. Its really hard for me to believe we had so little time together and yet know so much about each other. I really wish there was more time for you and me to be together, but I guess we were just dealt the wrong hand. I hope I was able to help you in finding a special someone who you can share life stories with. I don't think I would have rather spent my time any other way than with you. All those times you and I studied together really helped me. I hope they helped you too. You really helped me become a better prefect and having someone there made it easier to make hard decisions. I won't forget the times out on the stone bridge behind Mullers, or the fields, or just in the dorm. I'll miss those times dearly. It was really sweet having someone like you to talk to and be with. It's hard for me to even write this to you knowing I won't see you much. But whenever I do, I know I'll always have the same feeling towards you. I don't think it will ever go away. Thanks so much for everything. I really hope you can come to the Pointe in the summer, I'll definitely come out to visit you. I'm going to miss you so much and its tough knowing you'll be here and I'll be there. But no matter how hard it is to be away from you, I'll always remember the best times and it will always make me happy. I love you with all my heart Laurel.

Matthew,

We could not be more proud of your achievements and your graduation from Hoosac. Congratulations on your admission and upcoming attendance at UVM.

If you like what you do, you will never have a job in your life. Follow your dreams and your heart.

Be true to your goals, and use each challenge to understand yourself and add to your personal formula for success and happiness.

With Love,
Mom, Dad
& Lauren

Dearest Anna,

The famous American naturalist, Henry David Thoreau, wrote that if you advance confidently in the direction of your own dreams, and endeavor to live the life you have imagined, you will meet with a success unexpected in common hours.

In only two years at Hoosac, your success has far exceeded our expectations. We are very proud of your newfound confidence.

May your dreams come true in the next phase of your life at Cazenovia College and in whatever future you imagine beyond college.

We love you and want the very best for you.

Mom and Dad
